

REMOVE AND RESET COMMERCIAL SIGN

****From Barre City FEGC F 026-1(34) C/2**

- xx. DESCRIPTION. This work shall consist of removing and resetting commercial sign(s) at the location(s) indicated in the Contract Documents and as directed by the Engineer.

The work under this Section shall be performed in accordance with these provisions, the Plans, and Section 675 of the Standard Specifications.

- xx. LOCATION. This work is specified for removing and resetting a granite sign on the Granite Hills Credit Union property.

- xx. MATERIALS. Concrete for sign foundation (if deemed necessary) shall conform to the requirements of Section 541 for Concrete, Class B.

- xx. RESETTING SIGN. The Contractor shall re-use all existing materials to the greatest extent possible for the resetting of the commercial sign.

The Contractor shall construct the foundation for the commercial sign to be reset matching the size and depth of the foundation of the sign at its existing location. The Contractor shall supply new hardware and accessories as needed for resetting and anchoring of the existing commercial sign.

If the existing foundation is undamaged during removal, the Contractor may re-use it at the Contractor's discretion, provided the sign may be securely reattached at the new location.

- xx. METHOD OF MEASUREMENT. The quantity of Special Provision (Remove and Reset Commercial Sign) to be measured for payment will be the number of signs removed and reset in the complete and accepted work.

- xx. BASIS OF PAYMENT. The accepted quantity of Special Provision (Remove and Reset Commercial Sign) will be paid for at the Contract unit price per each. Payment will be full compensation for removing the sign (and foundation as required); for transporting, handling, and temporarily storing the sign; for providing new hardware and accessories as needed; for resetting the sign at the location indicated in the Plans or as directed by the Engineer; for performing any required excavation, foundation construction, and backfilling; and for furnishing all labor, tools, equipment, and incidentals necessary to complete the work.
