Table of Contents

Executive Summary	ES-1
E.1 Background and Purpose of the Study	ES-1
E.2 Study Overview.....	ES-1
E.3 Ridership Analysis.....	ES-8
E.4 Government and Policy Issues.....	ES-12
E.5 Conclusion.....	ES-12
1.0 Introduction and Background	1-1
1.1 Purpose of the Study.....	1-1
1.2 Study Overview.....	1-1
1.3 Description & Definition of High Speed Rail.....	1-3
1.4 History of High Speed Ground Transportation in the U.S.	1-5
1.5 Designated High Speed Rail Corridors.....	1-5
1.6 History of the Boston to Montreal Corridor.....	1-6
1.7 Public Involvement and Outreach.....	1-9
2.0 BMHSR Corridor Overview	2-1
2.1 Historic and Current Use of the Right of Way.....	2-3
2.2 Description of the Proposed BMHSR Corridor	2-21
3.0 Ridership Analysis	3-1
3.1 Train Operations Planning and Modeling.....	3-1
3.2 Market Analysis	3-9
3.3 Model Analysis and Ridership Estimates.....	3-43
4.0 Government and Policy Issues	4-1
4.1 Introduction and Background	4-1
4.2 National Environmental Laws and Regulations.....	4-2
4.3 State and Quebec Laws and Regulations.....	4-5
4.4 U.S./Canadian Customs and Immigration Issues.....	4-11
4.5 Existing Amtrak Services	4-16
4.6 Railroad Laws and Regulations	4-18
4.7 Security Considerations	4-20
4.8 Funding Issues for U.S./Canadian Joint Projects.....	4-21
4.9 Summary of Government and Policy Issues	4-22

Table of Contents

(continued)

5.0 Findings	5-1
5.1 Current and Potential BMHSR Corridor Operations.....	5-1
5.2 Potential Ridership.....	5-2
5.3 Government and Policy Issues.....	5-5
5.4 National Trends in Passenger Rail.....	5-5
5.5 Conclusion.....	5-6
Appendix A	
Trip Tables for Service Scenarios.....	A-1

List of Tables

E.1 – 2025 Summary Table of BMHSR Ridership	ES-11
2.1 – Boston-Montreal 1910 Service Schedule	2-3
2.2 – Boston to Montreal 1926 Service Schedule	2-4
2.3 – Boston to Montreal 1961 Service Schedule	2-4
2.4 – BMHSR Corridor Mileage by Operator	2-5
2.5 – BMHSR Corridor Mileage by Owner	2-5
2.6 – Locations Operated by CN	2-7
2.7 – Locations Operated by NECR	2-10
2.8 – Spring 2002 Vermonter Timetable	2-11
2.9 – Locations Operated by CCRR	2-12
2.10 – BMHSR Corridor Mileage in the Abandoned Segment.....	2-15
2.11 – Locations Operated by NEGS.....	2-15
2.12 – GRS Operated Route Mileage.....	2-18
2.13 – Locations Operated by MBTA.....	2-19
2.14 – Maximum Speed and Curvature for Non-tilting Train Equipment	2-25
2.15 – Grade Crossing Types and Warning Devices	2-26
2.16 – Assumed Treatment of Grade Crossings.....	2-27
2.17 – Locations of Right of Way Width Less than 64 Feet.....	2-29
2.18 – Locations with Grades Greater than One Percent	2-30
2.19 – BMHSR Corridor Segment Summary	2-30
2.20 – BMHSR Existing Conditions – Geometry Summary	2-32
2.21 – BMHSR Corridor Existing Conditions – Signals and Controls Summary	2-34

List of Tables (continued)

2.22 - FRA Track Classifications	2-35
2.23 - BMHSR Existing Conditions - Speed Summary	2-35
2.24 - Primary and Secondary Conceptual Station Locations	2-40
2.25 - Conceptual Station Type and Criteria.....	2-41
3.1 - FRA Track Classifications Maximum Operating Speeds	3-3
3.2 - Potential Station Stops.....	3-5
3.3 - Initial Conceptual Service Plan	3-6
3.4 - TPC Simulation - Low Speed Scenario	3-7
3.5 - TPC Simulation - Middle Speed Scenario	3-8
3.6 - TPC Simulation - High Speed Scenario	3-8
3.7 - Population and Employment	3-11
3.8 - Daily Traffic Volumes at Locations between Boston and Montreal	3-13
3.9 - Vermont Transit Intercity Bus Service in the BMHSR Corridor.....	3-15
3.10 - Concord Trailways Intercity Bus Service in the BMHSR Corridor.....	3-16
3.11 - Current Non-stop Direct Flights between Boston and Montreal	3-17
3.12 - Airline Service Characteristics	3-18
3.13 - Current Non-stop Direct Flights between Boston and Burlington	3-19
3.14 - Airline Service Characteristics	3-20
3.15 - Airline Travel Characteristics Summary.....	3-21
3.16 - Amtrak Vermonter Service - Selected Connections.....	3-21
3.17 - Vehicles Crossing the U.S. Border from Canada in the BMHSR Corridor, 2000	3-25

List of Tables (continued)

3.18 - People Crossing the U.S. Border from Canada by Mode in the BMHSR Corridor, 2000	3-25
3.19 - Quebec Visitors and Tourists to the U.S. Portion of the BMHSR Corridor in 2001	3-28
3.20 - Trips Greater Than 100 Miles Inside the U.S. Corridor, 1995	3-32
3.21 - State of Origin by Survey	3-35
3.22 - Gender of Survey Respondents by Mode	3-35
3.23 - Number of Vehicles per Household by Mode	3-27
3.24 - Level of Educational Attainment by Mode	3-28
3.25 - Trip Origins and Destinations	3-40
3.26 - Airplane and Bus Access and Egress Methods	3-40
3.27 - Forecast of Year 2025 Annual Interstate Trips of More than 50 Miles.....	3-48
3.28 - Scenario Definitions for BMHSR Ridership Forecasts	3-53
3.29 - 2025 Summary Table of BMHSR System Ridership.....	3-54
3.30 - Annual Diverted and Induced Trips by Service Alternative	3-56
5.1 - Potential Service Scenarios	5-3
5.2 - 2025 Summary Table of BMHSR Ridership.....	5-4
A.1 - 2025 Summary Table of BMHSR Ridership	A-2
A.2 - Forecasts of Boston-Montreal High-Speed Rail System Ridership ("Low-Speed Scenario" - Diverted Trips - 2025)	A-3
A.3 - Forecasts of Boston-Montreal High-Speed Rail System Ridership ("Low-Speed Scenario" - Induced Trips - 2025)	A-3
A.4 - Forecasts of Boston-Montreal High-Speed Rail System Ridership ("Low-Speed Scenario" - Total Annual Trips - 2025)	A-4

List of Tables (continued)

A.5 - Forecasts of Boston-Montreal High-Speed Rail System Ridership ("Mid-Speed Scenario" - Diverted Trips - 2025)	A-4
A.6 - Forecasts of Boston-Montreal High-Speed Rail System Ridership ("Mid-Speed Scenario" - Induced Trips - 2025)	A-5
A.7 - Forecasts of Boston-Montreal High-Speed Rail System Ridership ("Mid-Speed Scenario" - Total Annual Trips - 2025).....	A-6
A.8 - Forecasts of Boston-Montreal High-Speed Rail System Ridership ("Mid-Speed Scenario" With Rail Fare at 30 Cents per Mile - Diverted Trips - 2025).....	A-6
A.9 - Forecasts of Boston-Montreal High-Speed Rail System Ridership ("Mid-Speed Scenario" With Rail Fare at 30 Cents per Mile - Induced Trips - 2025).....	A-7
A.10 - Forecasts of Boston-Montreal High-Speed Rail System Ridership ("Mid-Speed Scenario" With Rail Fare at 30 Cents per Mile - Total Annual Trips - 2025).....	A-7
A.11 - Forecasts of Boston-Montreal High-Speed Rail System Ridership ("Mid-Speed Scenario" With Rail Fare at 20 Cents per Mile - Diverted Trips - 2025).....	A-8
A.12 - Forecasts of Boston-Montreal High-Speed Rail System Ridership ("Mid-Speed Scenario" With Rail Fare at 20 Cents per Mile - Induced Trips - 2025).....	A-8
A.13 - Forecasts of Boston-Montreal High-Speed Rail System Ridership ("Mid-Speed Scenario" With Rail Fare at 20 Cents per Mile - Total Annual Trips - 2025).....	A-9
A.14 - Forecasts of Boston-Montreal High-Speed Rail System Ridership ("Mid-Speed Scenario" With Two Trains per Day - Diverted Trips - 2025).....	A-9
A.15 - Forecasts of Boston-Montreal High-Speed Rail System Ridership ("Mid-Speed Scenario" With Two Trains per Day - Induced Trips - 2025).....	A-10

List of Tables (continued)

A.16 - Forecasts of Boston-Montreal High-Speed Rail System Ridership ("Mid-Speed Scenario" With Two Trains per Day - Total Annual Trips - 2025).....	A-10
A.17 - Forecasts of Boston-Montreal High-Speed Rail System Ridership ("Mid-Speed Scenario" With Additional Stations - Diverted Trips - 2025).....	A-11
A.18 - Forecasts of Boston-Montreal High-Speed Rail System Ridership ("Mid-Speed Scenario" With Additional Stations - Induced Trips - 2025).....	A-11
A.19 - Forecasts of Boston-Montreal High-Speed Rail System Ridership ("Mid-Speed Scenario" With Additional Stations - Total Annual Trips - 2025).....	A-12
A.20 - Forecasts of Boston-Montreal High-Speed Rail System Ridership ("High-Speed Scenario" - Diverted Trips - 2025).....	A-12
A.21 - Forecasts of Boston-Montreal High-Speed Rail System Ridership ("High-Speed Scenario" - Induced Trips - 2025).....	A-13
A.22 - Forecasts of Boston-Montreal High-Speed Rail System Ridership ("High-Speed Scenario" - Total Annual Trips - 2025).....	A-13

List of Figures

E.1 - FRA High-Speed Rail Corridor Designations	ES-4
E.2 - BMHSR Corridor Owners	ES-5
E.3 - Potential Station Locations	ES-6
1.1 - FRA High Speed Rail Corridor Designations	1-6
1.2 - BMHSR Corridor Map.....	1-7
2.1 - BMHSR Corridor.....	2-2
2.2 - Canadian National Railroad	2-6
2.3 - New England Central Railroad.....	2-9
2.4 - Claremont Concord Railroad	2-13
2.5 - New Hampshire Owned BMHSR Corridor Locations	2-14
2.6 - Locations Operated by Guilford Rail System	2-17
2.7 - MBTA Rail System	2-20
2.8 - Central Station Montreal.....	2-22
2.9 - North Station Boston	2-23
2.10 - Typical Station Configuration	2-47
3.1 - Potential Station Locations	3-9
3.2 - Vermont Transit Intercity Bus Services.....	3-14
3.3 - Airline Passengers between Boston and Montreal.....	3-19
3.4 - Passenger Boardings on Vermonter Stops between St. Albans and White River Junction 1990-2001.....	3-22
3.5 - Passenger Counts on the Lowell Commuter Line	3-23
3.6 - Daily Ridership on the Montreal/Delton Commuter Rail Line.....	3-24

List of Figures (continued)

3.7 - Vehicular Traffic from Canada to the U.S. at Border Crossings in the Vicinity of the BMHSR Corridor	3-26
3.8 - Incoming People from Canada to the U.S. at Border Crossings in the Vicinity of the BMHSR Corridor	3-27
3.9 - Overnight Quebec Tourists to States within the BMHSR Corridor (1990-2001)	3-29
3.10 - Overnight Visitors to Quebec by State of Origin within BMHSR Corridor (1990-2001)	3-30
3.11 - Overnight Visits Between Quebec and the BMHSR Corridor States.....	3-31
3.12 - Mode of Transportation for Trips Greater than 100 Miles in Length in the U.S. Portion of the BMHSR	3-32
3.13 - Age of Survey Respondents by Mode	3-36
3.14 - Size of Household by Mode.....	3-36
3.15 - Household Income by Mode	3-38
3.16 - Trip Purpose by Mode.....	3-39
3.17 - Automobile Travel Times	3-41
3.18 - Stated Preference of Origin Station by Mode.....	3-42
